

Why your customers need HPC Calibration Kit

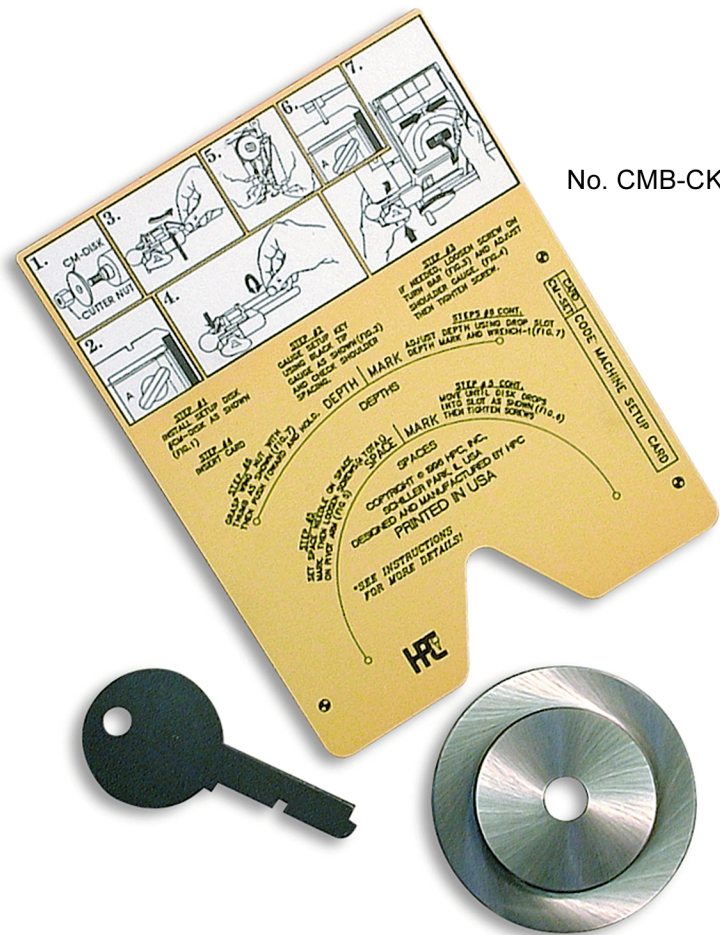

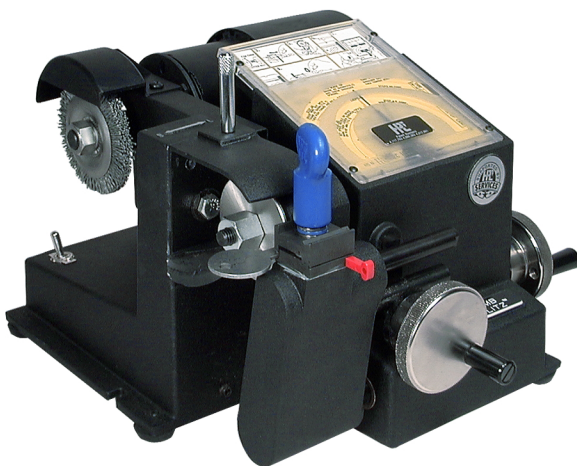

Your customer's Blitz™ machine is a vital part of their locksmith. If it is not cutting keys accurately they will lose time and money.

How to sell HPC Calibration Kit

Key Selling Points:

- * Quickly and easily check the calibration for tip-gauge spacing, shoulder-gauge spacing and depths and get the machine back to factory-perfect needle-point accuracy.
- * Works on 1200CM, Blitz™ and Switch Blitz™ machines.
- * Includes simple instructions for adjusting depths and spaces so your customer can quickly get back cutting accurate key.
- * The HPC Calibration Kit will help your customers avoid unnecessary down-time.
