Re: ASSA ABLOY Architectural Hardware Group Pricing Adjustments

ASSA ABLOY Architectural Hardware Group is announcing an average price adjustment of 3.5% effective June 3, 2019. Price adjustments include Architectural Door Accessories and the brands of Corbin Russwin, Norton, RIXSON, SARGENT and Yale Commercial. Exact % adjustments will vary by brand or product series and some product lines will remain the same.

By May 1, 2019, updated price books will be available electronically on brand website libraries for easy searchability, download and printing.

To reduce waste in support of our sustainability goals, printed price books will only be available to customers who register to receive a printed copy.

If you are **new** to the price book order portal, please use this link to register for an ID and password: <http://www.nacorporation.com/registration/pricebooks>

User IDs and passwords will be issued to new registrants every Monday. You will also receive instructions on how to login and reserve your printed copies of the price book.

If you are an **existing** user, please use this link to login to reserve your price books: <https://www.nacorporation.com/smart2011/assa-login.aspx>

Price books will ship on a first-come, first-served basis in the order requests are received.

For assistance, please call 1-800-508-5426. A representative of NVISION, our print and order fulfillment company, will be happy to help you through the registration/order process.

Thank you for your continued support and partnership.

Sincerely,

Bill Grambo
President, Access and Egress Hardware

Acceptance

SARGENT® reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, QUOTE requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on SARGENT®, unless such terms and conditions are approved in a separate written agreement by SARGENT's authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by SARGENT®, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in the Purchaser's Purchase order. The terms and conditions in Purchaser's Purchase order which conflict with terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between SARGENT® and the Purchaser.

In the event that SARGENT® does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of SARGENT® to enforce or require strict performance of such term or condition in the future.

Prices

All prices are subject to change without notice and are not guaranteed. All shipments will be made at prices in effect at the time of order acceptance.

Possession of this price list does not constitute an agreement to sell.

We reserve the right to correct clerical, stenographic and other obvious errors at any time.

Terms:

2% tenth net 30 days after statement date.

It is understood that SARGENT® may impose and charge a finance charge which is the lesser or one and one-half percent (1-1/2%) per month or the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

Freight

All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

Customer orders with net product value in excess of \$12,000.00 will be shipped prepaid by SARGENT's carrier of choice to a single destination point in the United States.

Customer orders with net product value less than \$12,000.00 will be shipped prepaid by SARGENT's carrier of choice and freight and handling charges will be added to the customer's invoice.

A minimum freight and handling charge of \$15 will be charged on orders with net product value of \$400 or less. The minimum freight and handling charge will not apply to orders for only Cut (bitted) keys of any type, Master keys, Master keyed cylinders or padlocks and factory generated bitting lists that do not have any other product types included on the order. Freight on these orders will be charged as the percentage of invoice value.

For orders with net product value greater than \$400 and less than \$12,000, freight charges will be calculated as a percentage of the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each quarter. On the first Monday of each quarter, the new rate will be published on the SARGENT and Door Security Solutions extranet and will go into effect on the 2nd Monday of the quarter. Please refer to the Sargent distributor extranet for the rate chart and information on the current freight charge percentage. The percentage in effect at the time of shipment of the order will be charged.

Great Grand Master keys, Grand Master keys, Master keys, Construction Master keys, Control Keys, Lot Day Keys which are shipped separate from customer order for security reasons, on orders with total net product value in excess of \$12,000.00 will be shipped prepaid by SARGENT's carrier of choice. If the total order value is less than \$12,000, the shipping charges will be added to Customer's invoice.

USA TERMS & CONDITIONS

USA & Canada Prices Effective June 3, 2019

If a customer provides their own freight account # or freight collect for the freight charges, SARGENT will apply a handling fee of \$25 to the invoice.

Turbo Orders – All 1-Week Turbo orders are guaranteed to ship from SARGENT 5 working days after receipt of all information necessary to process order or SARGENT will pay freight costs. If Turbo is held for credit reasons SARGENT will not be responsible for freight costs.

Expedited shipping options – If the customer requests an expedited method of shipment such as “Next Day Air” the charges will be prepaid by SARGENT and the full rate for the service, as published by the carrier, will be added to the customer’s invoice.

Packing – SARGENT will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that SARGENT will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

Minimum Invoice:

Minimum order value for complete product is \$250 net product value. The minimum order value for parts orders is \$100 net product value. In the event that the net product value does not meet the required net minimum, Sargent may, at its sole discretion (a) apply a minimum order charge, (b) reject the order or (c) waive the minimum requirement provided that the waiver of the requirement for one order shall not constitute a waiver of the requirement for any future orders.

The following products are exempt from this policy: Cut (bitted) keys of any type, Master keys, Master keyed cylinders or padlocks and factory generated bitting lists.

Quotations:

Complete shipment of the order must be accepted by Purchaser within normal shipping lead times.

The QUOTE number must be referenced on the order.

Any invoiced order that has the incorrect discount applied to it and did not have a QUOTE copy attached to the order or the QUOTE number written on the order will have a service fee of \$100.00 net DEDUCTED from any sales credit issued for the difference in discount.

The QUOTE is null and void if the Purchase Order does not include **ALL** product lines listed on the QUOTE or if the quantities for an item covered by the QUOTE deviate by **10%** or more.

With the issuance and acceptance of a QUOTE for the purchase of products, the Purchaser agrees that products so purchased will not be resold or transferred to any Distributor not authorized by SARGENT® to sell its products. This would be inclusive of branches of the quoted Distributor. Failure to abide by this restriction may result in the Distributor’s ineligibility for Price Concession Authorizations, or other actions in SARGENT’s discretion.

SARGENT® and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a Distributor’s request to quote a price other than SARGENT’s standard list price and regardless of whether SARGENT® or its sales representatives have previously quoted discounted prices to the Distributor on some or all of its orders.

Non-Cataloged Products:

Products not cataloged or listed in this price book will be considered as special products, and will not be manufactured without prior approval from SARGENT®. All non-cataloged goods cannot be changed or cancelled.

A minimum special handling charge of **\$50.00** will be added for non-cataloged product. Any additional labor or material required will be charged accordingly.

Special products require special handling, and therefore standard lead times may not apply. Please consult with your Sales Representative for further details.

Changes / Cancellation of Orders:

Changes or cancellations to an order will result in a charge of costs for material and labor expenses that have been incurred prior to notification from Customer. If products have already been made and or are located in the shipping room, the 45% restocking fee will apply. Handling charges are billed on Customer's original order.

Suspended Line Items:

If a line item is suspended due to insufficient information, we will notify you via "Q" fax. If a response is not received within 5 business days of the fax, the item(s) will be cancelled off the order. A new order will need to be placed for the cancelled item(s).

Add-On Orders to QUOTE:

Any new order requesting special pricing to match an existing QUOTE number, which has already been ordered, will be accepted up to 60 days after the acknowledgement of the original order. All add-on orders must reference the original factory order number and the corresponding QUOTE number to receive the quoted pricing discount. Add-on orders for stock will not be accepted.

Packaging:

Many items are defined as to Case Lot Packaging or Minimum Order. The case lot policy does not apply to hardware to be used on a specific hardware project.

Delivery:

Orders will be acknowledged and given a scheduled delivery date based on estimated manufacturing lead times. Complete information is required to process all orders. Orders with insufficient information for processing (i.e. keying information, door sizes, etc.) may be subject to extended lead times which are relative to the time required in obtaining the necessary information for order processing. Manufacturing lead time will begin once all information is received to process an order. SARGENT® will use reasonable efforts to deliver products as estimated, but makes no guarantee's as to delivery dates.

SARGENT® will not be liable for back charges incurred based on availability of product or as a result of delays in delivery caused by insufficient information required to process an order.

SARGENT® will not be held responsible for delays in delivery caused by strikes, fires, floods or any other causes beyond our control, including the delivery of material to us. Under no circumstances shall SARGENT® be liable or accountable for consequential damages due to failure of delivery.

Claims:

In the event of Company or Customer error, claims for shortages, pricing errors and/or incorrectly filled orders must be submitted in writing to Customer Service within thirty **(30)** days from receipt of material.

Any claims for shortages or damage by the Carrier must be made by the Customer directly to the Carrier.

Limited Carrier insurance is typically offered for all orders. If the Customer requires additional insurance, please contact a SARGENT® Customer Service Representative upon submittal of the order. SARGENT® will obtain requested insurance and the additional cost will be included on Customer's invoice.

Invoice Deduction:

A SARGENT® Sales Representative or Customer Service Representative must be notified of any disputed invoices within sixty **60** days from the date of invoice. Deductions should only be taken for the disputed amount and the balance of the invoice is due and payable within standard payment terms.

USA TERMS & CONDITIONS

USA & Canada Prices Effective June 3, 2019

Returned Goods:

It is the policy of SARGENT® to **not** accept returns of any materials that are correctly furnished as per the Distributor's Purchase Order. Return of product due to customer order error or accommodation must be pre-arranged with SARGENT® and approved in writing by Sales Management.

No Returns Accepted for the following: KESO, Signature, Degree, Keyed Cylinders, Specials, Anything Used, Discontinued, Modified, or Damaged Product, Electrical products, Incomplete Products (e.g. missing keys, levers, roses, etc).

All products returned as "Goodwill" must meet the following criteria to be considered a return:

- Be in original, unmarked, and undamaged cartons.
- Be valued in excess of \$250.00 net.
- Shipped and invoiced within the previous 120 days.
- Custom, non-cataloged goods, master-keyed or SARGENT® Turboship product is not returnable.

A **MINIMUM** restocking fee of **45%** will be charged. Upon receipt and verification by SARGENT® that the returned merchandise meets the foregoing conditions, a credit will be issued for the original invoice amount less the **MINIMUM 45%** restocking fee.

Defective goods and "Goodwill" products that meet the foregoing criteria, may be returned by fulfilling the following conditions:

- Send an RGA request in writing to the SARGENT® Sales Representative serving the Purchaser's area.
- Ensure the RGA labels that are sent to Purchaser by SARGENT® are visible on return goods shipment.
- Ensure that the RGA number appears on the return shipment label and is legible.
- Return the authorized merchandise within sixty (**60**) days from the date of RGA issuance date.
- Return shipments must be freight prepaid to the location specified on the RGA. SARGENT® is not liable for damages or shortages to product during shipping.

Electro Mechanical Defective Product Returns:

In addition to the above, the following conditions apply:

- Defective product return must be under warranty
- Case # must be used within 7 days of issuance
- Returned product must be found defective or nonfunctional upon test at factory
- Returned product must not have been damaged during installation process

No credit may be taken or issued prior to RGA approval and receipt of product.

All defective goods within the terms of our limited warranty may be returned for credit or replacement.

Taxes:

Prices do not include any present or future Federal, State, or Local property, license, privilege, sales, use, excise, gross receipts or other like taxes or assessments, which may result from transactions or any services performed in connection herewith.

Governing Law:

The rights and obligations of the parties shall be governed by the laws of the State of Connecticut, excluding any conflicts of law provisions. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.

Limited Warranty:

The Terms and Conditions outlined above are subject to SARGENT® Limited Warranty, which is included in this Price List and incorporated herein by reference.

Product Modifications:

SARGENT® products are not designed for or intended for aftermarket modification. The warranty on SARGENT® products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. Warranty voiding modifications include, but are not limited to, third-party electrification of non-electric products and/or the installation of non-approved or non-SARGENT® components.

If a SARGENT® product is modified it no longer meets industry certification and quality control standards applicable to the original product and is no longer a genuine SARGENT® product. A modified product may not be sold as a SARGENT® product and no SARGENT® trademarks or certification marks based on the original SARGENT® product, such as U.L. or ANSI/BHMA marks, may appear anywhere on the modified product or on any packaging, literature or instructions sold with the modified product.

All original SARGENT® packaging and literature carries SARGENT® trademarks and must be destroyed if the original SARGENT® product is modified. Portions of the product that carry a SARGENT® trademark or certification mark, such as mortise faceplates, lock bodies, etc. must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and marking are also the responsibility of the party making modification. The use of SARGENT® trademarks on modified products constitutes trademark infringement.

Fire Rated Openings:

Any retrofit or other field modification to a fire rated opening can potentially impact the fire rating of the opening, and SARGENT makes no representations or warranties concerning what such impact may be in any specific situation. When retrofitting any portion of an existing fire-rated opening, or specifying and installing a new fire-rated opening, please consult with a code specialist or local code official (Authority Having Jurisdiction) to ensure compliance with all applicable codes and ratings.

Trademark Use Policy: ASSA ABLOY Americas

The following policy ("Policy") of ASSA ABLOY Americas ("ASSA ABLOY"), and all of its affiliated group companies (collectively, the "Group Companies"), applies to the use of certain intellectual property of all such Group Companies, including all trademarks, names, logos, product images, and related information (the "ASSA ABLOY Marks"). ASSA ABLOY Marks are proprietary and critical to the success of ASSA ABLOY and the Group Companies, and may only be used in strict compliance with this Policy.

This Policy covers any person or entity reselling any product of any Group Company with the consent of such Group Company (each, an "Approved Reseller"). Each Approved Reseller has a non-exclusive right to use certain of the ASSA ABLOY Marks relating to any of the Group Companies for which it is an Approved Reseller, subject to the following conditions:

- (1) Approved Reseller's use of ASSA ABLOY Marks must be truthful, fair, and not misleading;
- (2) Approved Reseller's advertising must clearly indicate that it is advertising of the Approved Reseller, and is not advertising of ASSA ABLOY;
- (3) Approved Reseller may not use any ASSA ABLOY Marks as part of or in connection with a domain name;
- (4) Approved Reseller's advertising must not imply or suggest an association between the Approved Reseller and ASSA ABLOY other than that of buyer and seller;
- (5) Approved Reseller's use of ASSA ABLOY Marks must be a positive representation of ASSA ABLOY, the Group Companies, and their products;
- (6) Approved Reseller's trade name must be more predominant on Approved Reseller's advertising than the ASSA ABLOY Marks;
- (7) Approved Reseller's use of ASSA ABLOY Marks must include the trademark symbol ® or TM, as appropriate, along with the following trademark legend printed in legible text on the Web page or document containing ASSA ABLOY Marks: "[describe ASSA ABLOY Marks] are trademarks or registered trademarks of ASSA ABLOY, Inc. or one of its affiliates in the United States and other countries.";
- (8) Approved Reseller must not make modifications of any ASSA ABLOY Marks; and
- (9) Approved Reseller may use only ASSA ABLOY Marks associated with the Group Companies for which it is an Approved Reseller (e.g., an Approved Reseller that sells Group Company X products but not Group Company Y products may use Group Company X trademarks in connection with its sale of Group Company X products, but may not use Group Company Y trademarks).

- (d) revoke permission to use ASSA ABLOY Marks immediately upon notice to Reseller in the event Approved Reseller is in violation of this Policy, or of any agreement with ASSA ABLOY or any Group Company.

Approved Reseller's right to use ASSA ABLOY Marks in no way conveys to Approved any proprietary or economic interest in any ASSA ABLOY Marks.

Use of ASSA ABLOY Marks in violation of this Policy may result in severe civil and liabilities. ASSA ABLOY will vigorously enforce this Policy by seeking all appropriate remedies, including, but not limited to, pecuniary damages and injunctive relief.

TECHNICAL INFORMATION AND ADVICE:

- (a) All designs, data and specifications provided by company are proprietary and will not be disclosed or reused by customer without the prior written consent of Company;
- (b) Company assumes no obligation or liability for any advice given by Company, the results obtained, or damages incurred, and all such advice is given and accepted at Customer risk.

LIMITED WARRANTY:

SARGENT® warrants that its products sold under the "SARGENT" trade name in the United States of America are free from defects in workmanship and materials under normal use and service.

This warranty does not cover defects or damage arising from improper installation, lack of or improper maintenance, improper storage, shipping and handling, corrosion, erosion, ordinary wear and tear, misuse, abuse, accident, unauthorized service, or use with unauthorized non-SARGENT products or parts.

This warranty is void if any modification is made to the warranty product, regardless of whether the modification causes or contributes to the alleged defect. All modifications are made at the risk of the party making the modification.

The only liability of SARGENT®, in tort or contract whether under this warranty or otherwise, shall be limited to the repair or replacement of any product or component part which shall prove defective as covered by this warranty, within the stated time period listed below, after delivery to the original purchaser.

**CYLINDER SERVICE FEE
AND LIMITED WARRANTY**

USA & Canada Prices Effective June 3, 2019

Cylinders for Competitor Products:

SARGENT cylinders or cores for use in non-SARGENT manufactured locking devices for which SARGENT has an equivalent, will be assessed an additional Cylinder Service Fee. This fee applies to masterkeyed cylinder only orders, 1 bitted high security cylinders and zero or 1 bitted restricted cylinder orders

Warranty for Cylinders Factory or Field Combined:

Cylinders shall be periodically lubricated depending on environmental conditions. Dry graphite, molybdenum disulfide or Polyube(trademark) are recommended. Petroleum based liquid lubricants should only be used in cylinders in harsh or corrosive environments and should not be mixed with dry lubricants.

SARGENT® cylinders and/or core warranty will be voided if used in non-SARGENT® locking devices.

Warranty for Cylinders Field Combined:

1. Keys shall be cut to the SARGENT® key biting specifications required for the particular keyway and depth system.
2. All pin lengths shall be selected according to prevailing factory standards.
3. Original SARGENT® cylinder components, including pin tumblers and key blanks, shall be used.
4. We reserve the right to void the warranty if we deem that a malfunction is a result of non-original components which do not conform to SARGENT® standards.

Keying Systems:

All bittings shall be originated by the SARGENT® Key Systems Department to be compatible with one another in a specific type of cylinder (conventional, security, high security, interchangeable core, removable core) and within a particular keying system.

SARGENT® will not pay for the cost of repair performed other than in accordance with this warranty.

SARGENT® will not be held responsible in any way for any field generated biting systems.

Refer to our Returned Goods Policy regarding the return of a product or component part believed to be defective as covered by this warranty. A brief description of the defect will be required. Product will be examined upon return. In the event such examination reveals a defect covered by this warranty, the product will be repaired or replaced.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. TO THE EXTENT PERMITTED BY LAW, ALL IMPLIED WARRANTIES ARE LIMITED TO THE DURATION OF THIS WARRANTY. SARGENT® MANUFACTURING COMPANY SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES. NO AGENT, SALES REPRESENTATIVE OR DEALER HAS THE AUTHORITY TO INCREASE OR ALTER THE OBLIGATIONS OF THIS WARRANTY.

SOME STATE DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

THIS WARRANTY GIVE YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

ORDERING AND SARGENT KEY SYSTEMS SECURITY POLICY

USA & Canada Prices Effective June 3, 2019

Order Types:

- Please submit **TURBOSHIP orders, Standard lead time(contract) orders, SPECIAL product orders** on separate order forms (Pages GI-27 – GI-30).
- Please use **TURBOSHIP** order forms for all **TURBOSHIP** orders. If you use your own purchase order forms, please supply the information in the proper SARGENT nomenclature, for your order to be processed without delay. Only products listed in the current **TURBOSHIP** brochure are available for **TURBOSHIP**. Products ordered that are not listed in the current **TURBOSHIP** brochure will automatically be entered at standard factory production lead times.
- Standard **Order Forms** are included in the 2019 Price Book and at www.sargentlock.com (Pages GI-27 – GI-30).
- **TURBO SHIP ORDER FORMS** are available on our website at www.sargentlock.com/turboship.html
- We recommend using **Order Forms** included with this Price Book when placing purchase orders for SARGENT products. The **Order Form** is available for copying prior to placing your order.

Orders with Quotes:

- If you have a **Quote**, please include a copy with the purchase order or reference the **Quote** number on **PAGE 1** of your order. Orders without this information may be delayed or may be subject to a \$100.00 price correction fee if invoiced incorrectly due to this missing information
- If you have a **Quote**, please check the expiration date. If the **Quote** is expired, please contact your DSS Sales rep. to find out how your quote can be re-instated. Orders received with expired **Quotes** may be delayed.
- If you have a **Quote**, please check products listed and packaging on the quote. Orders which do not match the products listed on your **Quote** or do not include all products listed on the **Quote** and do not have packaging (sister company order) information, may be delayed.

SARGENT Key Systems Security Policy:

The purpose of this security policy is to enforce our policies concerning high security, security and restricted keyway product, as well as master key system information. No master key system information or security related product is to be given or sold to anyone other than the facility owner through written correspondence. Verification must be submitted (fax copy will be acceptable) to SARGENT Key Records. The verification must be on the facility's letterhead and signed by a facility authorized systems administrator. SARGENT Key Records does not maintain "Letters of Authorization" on file. Each order must be accompanied by proper authorization. Only after the authorization has been verified will the order be processed for production. This security policy refers to the following:

- Signature systems • Protected keyway systems • Security cylinder systems

Also includes:

- Bitting information (even one bitting, absolutely no top-level master keys)
- Bitting lists (all formats; i.e., hard copy, disc)
- Key blanks and systems components

Please note:

- No orders are to be processed through SARGENT Key Records without proper authorization.

ORDERING TIPS & KEYING
– AUTHORIZATION DOCUMENTATION:

USA & Canada Prices Effective June 3, 2019

- Only orders with appropriate authorization attached will be given priority.
- Requests for systems information without proper authorization from the owner will be denied.
- Requests for information regarding the purchase of any systems support products as listed above will be referred to the local authorized sales agency.
- Refer to the current price lists for additional policies and procedures as they relate to this security policy.

Remember:

The purpose for the establishment of any security system is to provide an increased level of protection for the Facility owner.

Keying - Authorization Documentation:

When submitting purchase orders to SARGENT for processing, please remember that certain cylinder types and/or keyways require additional authorization documentation before the order can be entered.

Purchase orders will be held and questioned if the following keyway/cylinder types do not have the proper authorization documentation submitted with each purchase order or shipment of the following items will be made directly to the end user or their designated agent:

- All Restricted Keyway Cut Keys or Key Blanks;
- All Signature Cut Keys or Key Blanks;
- All XC Restricted Cut Keys or Key Blanks;
- All dimpled KESO keys;
- All computer disks (CD or Floppy) for the Key Wizard Control Software and
- All key system bitting information in either paper or electronic form

Exceptions:

- Standard key blanks and cut keys for the “C”, “H”, “L” and “R” keyway families
- XC key blanks and cut keys for any non-restricted keyway family

Any order or fax request received at SARGENT for any of the above products or information must specify the shipping address of that product or information as the end user of the product or information. If the product is to be shipped to the end user’s authorized agent, a letter authorizing that shipment to an address different than that of the end user must be on file at SARGENT or attached to the order.

If you have any questions regarding authorization, please do not hesitate to contact us or your local representative.

Purchase Order Format

For Comsense and Protech users please **use the Purchase Order Supporting (Detail) Schedule** to place contract orders, NOT the Door Index or Keying Index. Only the Purchase Order Supporting Schedule contains all of the information required, (options, item quantities) to properly furnish you materials.

For all other formats we ask that product of like nature be grouped together with the item quantities, Door Numbers, and keysets listed underneath or with the product. This will allow faster processing of your order.

"OPT-OUT" Option (System Type DG2 & DG3 Only): By selecting this option I elect not to use the sequentially numbered registrations certificates and agree to substitute them with a Letter of Authorization.

Degree DG1 Required Administrative Documents:

- **Mandatory:** all new systems will require a completed System Information Document (orders can not be entered without this document). The fully executed original document will be kept on file at Sargent Manufacturing.
- Subsequent order requirement. A letter of authorization will be required if the product is shipped to an address other than what's recorded on the System Administration Document, and/or if the address on the purchase order is different than what is listed on the System Information Document.

Degree DG2 & DG3 Required Administrative Documents:

- **Mandatory:** all new systems will require a completed System Information Document (orders can not be entered without this document). The fully executed original document will be kept on file at Sargent Manufacturing.
- Subsequent order requirement: A specific randomized security code will be required for each order unless "Opt-Out" has been authorized by the systems administrator.
- If the "Opt Out" option is ***NOT*** selected
 - A correct system specific (randomized) security code must be included with each subsequent order.
 - Security codes are specific to each order.
 - If the shipping address is other than the one listed on the System Information Document, a Letter of Authorization signed by one of the recorded authorized representatives of the facility is required.
 - Letter of Authorization must contain the same shipping address that appears on the customer's Purchase Order.
 - Letters of Authorization will not be kept on file at factory.
 - Without the proper security code, Letter of Authorization, or if the shipping address is other than what's listed on the System Information Document, the order cannot be processed.
- If the System Administrator elects not to use security codes as part of the authorization process, the "Opt Out" option can be authorized by the system administrator.
 - If the "Opt Out" option is ***S*** selected
 - A system-specific security code is not required.
 - Letter of Authorization must be signed by one of the facility's authorized representatives. If the shipping address is other than the one listed on the System Information Document, a Letter of Authorization will be required.
 - Letter of Authorization must contain the same shipping address that appears on the customer's Purchase Order.
 - Letters of Authorization will not be kept on file at factory.

Key Control System Types

| Type | Description | Option |
|--|--|--|
| Stock Keyway (LA) | LA keyway will be provided on non-masterkeyed order if no keyway is provided. | - |
| Standard | Keyways in general use for key systems. | - |
| Restricted (Not Published) | Keyways tightly controlled by the factory, letter of authorization required from end user for keys & cylinders, and prior approval from the SARGENT Security Systems Manager before establishing a new system. | - |
| Large Format IC Core (R Series Standard-for New Systems) | System allows for increased security through quick changing of cylinder into reserve or into another lock. System can be used with mortise locks, bored locks, auxiliary deadlocks, padlocks and exit devices. | 63 64 Construction Core |
| Small Format Interchangeable Core | System allows for increased security through quick changing of core into cylinder housing or into another lock. System can be used with mortise locks, bored locks, auxiliary locks, and exit devices. Available in SARGENT 4A & 4B keyway family & existing competitor keyway families. | 72 Construction 73 (6-Pin) 73-7P (7-Pin) |
| XC | Patented product that cannot be copied and supplied by others. Provides an intermediate level of control by ensuring that the keyblanks are not readily available in the market. Offered in many of SARGENT's standard keyways and is readily integrated as a cost-effective means of achieving higher security key control in an existing key system. Available in SARGENT standard or 7 Pin Small Format (4A and restricted keyway 4B) Interchangeable Core cylinders and Sargent Large Format Interchangeable Core. | 11 |
| Signature | Signature codes tightly controlled by the factory. Pin # or explicit letter of authorization required from the end user for keys & cylinders. New code assignments require form H759 "Code Pattern Registration Form" to establish Signature Code and keyway assignments. Available with construction keying and removable core options (as additions). When Signature and Standard keys are used on the same system, miscellaneous charges and substitution prices that apply to Signature will apply to Standard. | 10 |
| KESO | KESO codes tightly controlled by the factory. End users signature required for keys & cylinders. Please contact factory for approval BEFORE establishing any new KESO system. All keying and key cutting performed in a factory secure area. | 82 83 Removable Core 84 Construction Core |
| KESO F1 | KESO F1 Series of cylinders incorporates the same time proven KESO product line and includes advanced Patented features. These features to both cylinder and key are designed to be used in new Patented cylinders and are compatible with existing KESO key systems. KESO F1 codes tightly controlled by the factory. End users signature required for keys & cylinders. All keying and key cutting performed in a factory secure area. | F1-82 F1-83 Rem. Core 84 Construction Core |
| Bump Resistant | Patent Pending bump resistant cylinders. These cylinders employ especially engineered patent pending pinning components designed to resist bumping while maintaining the cylinder's strength. Not available with 10, 22, 30, 60, 63, 64, 70, 72, 73, 737P, KESO, SC, SE options. | BR |

USA & Canada Prices Effective June 3, 2019

| Key Control System Type | Types Description | Option |
|-------------------------|---|--------|
| Degree DG1 | Patented Key Control features a utility patented keyway and is constructed to provide DG1 protection against bumping for mortise, rim and component fixed cylinders. These cylinders easily retrofit into existing hardware. | DG1 |
| Degree DG2 | Patented Key Control Integrated with Security Protection combines a utility patented keyway and patented side bar locking with unique angled bottom pins that provide end users with geographical exclusivity. Cylinders are constructed to provide protection against bumping and picking. Because of its superior key control, patent protection until 2027, and physical strength, we recommend SARGENT DG2 products to be used in conjunction with the DG3 for new installations or when retrofitting systems, including large format interchangeable core systems. | DG2 |
| Degree DG3 | High Security with Patented Key Control is our premier brand technology. Degree DG3 combines a utility patented keyway and side bar locking with unique angled bottom pins that provide end users with geographical exclusivity. These cylinders have earned a UL437 Listing, the ANSI/BHMA A156.5 Grade 1 certification, and are classified as high security because of their superior resistance to physical attack and protection against unauthorized key duplication. Because of its superior key control, patent protection until 2027, and physical strength, we recommend SARGENT DG3 products for new installations or when retrofitting systems, including large format interchangeable core systems. | DG3 |

Signature cylinders have the Signature Quill Logo embossed on the face of the cylinder barrel. Signature keys have SARGENT embossed on one side and the Signature Quill Logo, specific Signature code pattern and one additional line for stamping. Key blanks are also available blank one side. Consult the Signature catalog for more specific details. Please contact the factory for keyways available.

Please Note:

Signature products require a special ordering procedure. Please be sure that you include the following information when you send your order to Sargent for processing:

1. Keying Cover Sheet
2. Signature Cover Sheet with complete end user information and distributor information
3. Pin Coded/Letter of authorization from end user

Missing or incomplete information will cause delay in processing and may result in the return of your order. Forms may be obtained by contacting Sargent Customer Service at (800) 727-5477.

To price split trim/finish, defaults to higher price.

Locksets in combinations not listed should be figured by adding together the prices of the component parts.

If by any method of figuring, lower prices can be obtained than set prices shown, set prices will prevail.

It is not permissible to take full deduction for omission of a component from a lockset.

Prices are for 1-3/4" door. For other door thicknesses not listed herein, please consult factory.

DISTRIBUTOR BULK PACK PROGRAM

USA & Canada Prices Effective June 3, 2019

Features of the SARGENT Distributor Bulk Pack Program

- Allows the distributor to virtually “build your own” SARGENT mortise locks by stocking bulk packed lock bodies, complete trim sets and cylinders separately for maximum utilization of warehouse space and inventory dollars
- The 3 components fit snugly in specially designed packaging for ease in picking and maximum protection
- List price of the components equals that of a complete mortise lock. Standard Buying Program discounts apply

Using the SARGENT Distributor Bulk Pack Program

- Lockbodies must be ordered in multiples of 10 per function/finish. Option BP- to lock function in order to receive bulk packaging and bulk pack program pricing. Strike and o/s front are included, please specify finish. The lock bodies are individually pack aged in with strike and o/s front in protective sleeves. Packed 10 per carton.
- Complete trim sets must be ordered in multiples of 10 per design/finish. These are individually packaged in full mortise lock boxes and are packed 10 per carton.
- Order cylinders as a separate line item if required.
